

Become an mBIT Coach

“Learn simple and powerful techniques to detect and overcome issues when your client’s head, heart and gut brains are NOT aligned”

Why become a Certified mBIT Coach?

Do you ever have Clients with the following brain integration issues?

Internal conflict between their thoughts, feelings and actions
Repeatedly not acting upon or sabotaging their dreams, goals and plans

Doing unwanted behaviours or habits and don’t know why and have difficulty stopping

Challenges in making decisions or are unable to motivate themselves to take action

Chronically experiencing disempowering emotional states such as frustration, depression, anger, anxiety, etc.

Chronic health issues, especially those to do with the heart or gut region

When your clients experience these in their life or behaviour, it’s time to empower them using the deeply integrative mBIT processes you’ll be trained in during this workshop... You will learn to repattern how our brains work together to support and enhance life success.

mBIT Certified Coaches continue to report that mBIT creates quicker and more lasting changes and is an elegant and powerful adjunct to their existing toolkits.

“As Relationship Coaches, we found that we are able to be more effective in such a short timeframe using the skills and techniques of mBraining. Our clients have nothing but praise for mBIT and the eye-opening skills it teaches you”

EK & SK, Melb., Australia

“This is an important work! When so much of our response to life is based on what our ‘head’ brain tells us to do, it is exciting to see the research demonstrating the power and the importance of our heart and gut brains. Get all three aligned and your life changes!”

JR, Author and Educator, Sydney, Australia

Who this training is for?

Professional Coaches of all types

Counsellors and People Helpers

Trainers and Educators

Leaders, Managers and Mentors

... anyone who needs to coach others to produce results that can only be achieved when head, heart and gut are aligned!

Latest neuroscience research shows you have 3 brains!

The implications are profound...

Have you had clients come to you wrestling with continued indecisiveness and ongoing unresolved issues?

Do your clients struggle with internal conflict between their head-based thoughts, their gut-based instinct and their heart-based emotions and values?

The discoveries of the heart and gut brains continue to gain more and more interest with popular magazines featuring articles on the subject -

Time Magazine (Jan 26, 2011), Oprah's O (July 2010), Psychology TODAY (Nov 1, 2011), The New York Times (Oct 11, 2011), NewScientist (Dec 15, 2012) and the Wall Street Journal (Jan 17, 2012).

This training brings together all of the research findings along with behavioural modelling of the 3 brains into a practical framework that provides a set of self-evolutionary tools for wiser decision-making in all areas of life.

Based on the breakthrough new book:

"mBraining extends notions of both brain and mind. Steven Pinker famously says that 'the mind is what the brain does'. Oka and Soosalu suggest that a greater mind is a function of a greater brain, that comprising head, heart, and hara..."
